Privacy policy customers and suppliers

Farck srl (hereinafter the "Data Controller"), as the controller of personal data processing (pursuant to art. 13 and 14 of the European Regulation n. 679/2016 (hereinafter, the "GDPR") that your personal data will be processed in the manner and for the purposes indicated below. In this regard, the Data Controller invites you to read carefully this information (hereinafter, the "Information"), because it contains important information on the protection of personal data and the security measures taken to ensure its confidentiality in full compliance with the GDPR.

Data Controller of the treatment:

The **Data Controller of the treatment** is FARCK SRL, via Roma, 94-26010 Pianengo (CR). Email address for communications: contabilita@farck.com PEC: farcksrl@pec.it

Type of data processed

Personal and contact data of the customer and company referrals such as name, surname, address, telephone number, mobile phone, tax code, email address, PEC, bank data such as IBAN, insurance policies, billing codes, certificates of regularity of contributions.

Purpose of data processing, legal basis for processing and consequences of not providing personal data

Your data is processed for the following purposes:

- a) carry out the preliminary and subsequent activities of the supply relationship for goods and to execute them;
- b) for normal internal operational, managerial and accounting requirements;
- c) to comply with any obligation under applicable laws or regulations, in particular regarding tax matters related to the contract;
The **legal basis** for such processing is the execution of a contract (art. 6 n.1 lett. b) Reg. EU 2016/679), as well as compliance with legal obligations.
- d) being able **to contact you**, following your request, to provide information, including related to the services offered as well as for internal operational or management needs;
- e) **to assert or defend a right**, even by a third party, in judicial proceedings, as well as in administrative proceedings or arbitration and conciliation proceedings, in the cases provided for by law, European Union legislation, regulations

The processing of data related to the purposes d) e) finds its legal basis in the legitimate interest, pursuant to art. 6 paragraph 1 letter. f) GDPR.

The provision of data for the purposes indicated is mandatory. The refusal to provide data will make it

impossible for the Data Controller to fulfil and comply with the commitments assumed and resulting from existing contractual and pre-contractual relationships, as well as being able to contact you following your request.

Processing methods

The processing will be carried out in a manual and computerized manner for the time strictly necessary to achieve the purposes for which they are collected.

Specific security measures are observed to prevent data loss, illegal or incorrect use and unauthorized access.

The Data Controller takes appropriate security measures to prevent unauthorised access, disclosure, modification or destruction of Personal Data.

Recipients of personal data:

The data you provide will be processed by the controller, the employees appointed/authorised by the controller and the professional companies/offices providing assistance, advice or collaboration to the data controller and third-party service providers whose communication is necessary for the fulfilment of the stated purposes (accountant, banking institutions etc.). These subjects will be appointed in the cases provided by law responsible for the Processing ex art. 28 GDPR. The complete and updated list may always be requested from the Data Controller.

Your data may be communicated following inspections or verifications (if requested), to all inspection bodies responsible for verifications and controls related to the regularity of legal or contractual compliance.

Retention times:

Your data will be kept for the duration of the contract and thereafter for the legal terms (10 years).

The data collected to be able to contact you again will be kept for a maximum period of 6 months, subject to the need to comply with legal obligations or protect the legitimate interests of the Data Controller.

Automated decision making and data dissemination.

There is no automated decision making.

The personal data provided for the purposes indicated will not be disclosed.

Transfer of your data abroad

Personal Data is processed and stored within the European Union. It is understood that the Data Controller, if necessary, transfer the data also to non-EU countries, ensures that the transfer of extra-EU

data will be carried out in accordance with the applicable legal provisions, The European Commission has provided for the conclusion of standard contractual clauses.

Rights of data subjects

At any time, by contacting the Data Controller you may exercise, pursuant to articles 15 to 22 of EU Regulation 679/16:

- a) request confirmation of the existence or otherwise of personal data concerning them;
- b) obtain information about the purposes of processing, categories of personal data, recipients or categories of recipients to whom personal data have been or will be disclosed and, where possible, the retention period;
- c) obtain the updating, rectification and deletion of data;
- d) obtain limitation of processing;
- e) achieve data portability, that is to receive it from one controller in a structured, commonly used and machine-readable format, and transmit it without hindrance to another controller;
- f) oppose the processing at any time and also in the case of processing for direct marketing purposes;
- g) oppose automated decision-making relating to natural persons, including profiling.
- h) request the controller to access, correct or delete personal data concerning them or to restrict processing of such data, or to object to their processing, as well as the right to data portability;
- i) where applicable, withdraw consent at any time without prejudice to the lawfulness of processing based on consent given before withdrawal;
- j) submit a complaint to the data protection authority.
